

TAI 報 POST

PRESIDENT'S MESSAGE

Dear fellow Rotarians,

Time really flies - this is the last month of this Rotary year. It's been my pleasure to serve as your President for this Rotary year (since January 2025). In the past few weeks, I have attended District Conference in Macao together with members as well as potential members of our Club. Besides, I have also, on behalf of our Club, attended and will continue to attend installations and annual balls organised by other Clubs in our district, especially those in Area 6.

I am saddened and shocked to hear from Rotary International, and I shared with you this message that, RI President-elect Mário César Martins de Camargo, a member of the Rotary Club of Santo André, São Paulo, Brazil, has notified that he will resign from the role of RI President-elect, due to health issues as well as concerns for his family and business. As such, he will not serve as president for the forthcoming Rotary Year.

Life is full of challenges and unforeseeable circumstances. This also serves as an important reminder for each of us as well as our families as to the importance of having good health, both physically, mentally and spiritually, and achieving work-life-service balance (setting boundaries, prioritizing tasks, and allocating time effectively across your professional, personal, and community commitments).

I trust that we will continue to support each another in this Rotary family, and continue to unite for good in all our activities and community services.

Wishing you all good health and another fruitful and enjoyable rotary year ahead.

Yours in Rotary,

Mac Chan

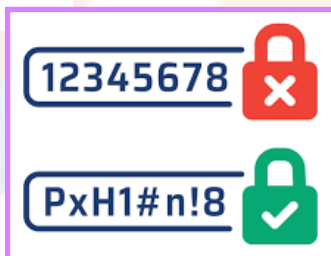

EDITOR SAYS

CLAIRE MAK

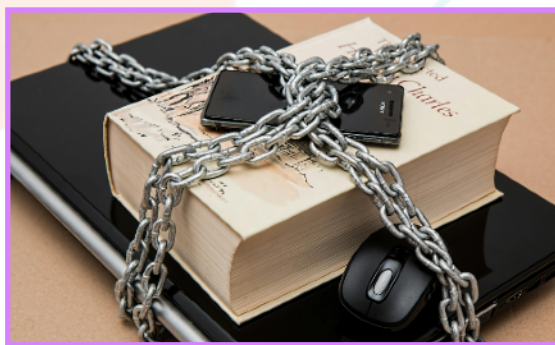

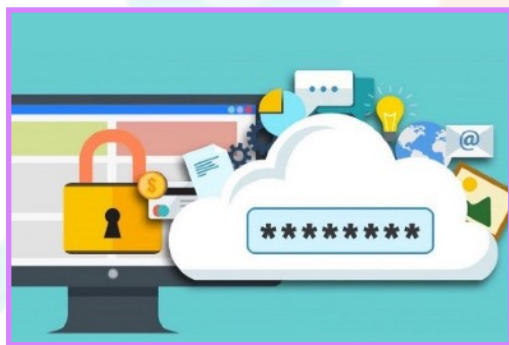

We'll need to feed the data into our AI security solution to figure out how they broke in.

In reality, the complexity of our digital lives has led to a confusing array of passwords—phones, emails, online shopping, streaming services, and more. With such a lot to remember, it is no wonder many settled for simplistic phrases like "12345678Pass." While convenient for users, such ease also invites hackers.

Some systems use security questions like "What is your best friend's name?" or "Who was your favorite teacher?" or "What was your aspired job?" But these personal details are often shared on social media, making them less secure. Moreover, if one forgets a password, they might also forget the answers, leading to frustrating scenarios. Imagine being locked out after failing to answer questions about friendships or childhood dreams. It hurts double!

Yet, this brings to mind the true essence of connection. In the Rotary Club of Tai Po, we celebrate friendship and understanding. Our relationships are the passwords that unlock a world of collaboration and service. Just as we cherish these bonds, let's also remember that the strength of our community lies in our ability to support one another, fostering an environment where trust and shared experiences keep us connected, even when the world feels increasingly complex. Let Rotary work Magic!

1st Rotary Clubs around the world for make-up

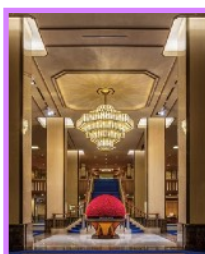

Information from RI & Club Website

Next year is our club RCTP's 35th Anniversary. We are still a relatively young club compared to the 120 years old long history of Rotary when it was first established in 1905 in Chicago, USA. We Hong Kong people love to travel overseas . . . but have you ever thought of doing "make-up" by attending meetings at the first or early clubs of major countries around the world to experience part of the Rotary history? Indeed, Rotary is a truly global organization and one big benefit of being a Rotarian is to be able to attend club meetings all around the world, especially those clubs with long history and meetings at iconic venues like RC London & RC Paris! Let's look at the meeting information of some of the first or early clubs around the world and you may consider paying a visit one day?

ROTARY INFORMATION

Club Since	Club Name	Current Membership	Meeting info (date & usual venue)	Remarks
1905	RC Chicago	88	Tuesday lunch at Union League Club	First club of Rotary where founder Paul Harris formed and where Herbert Taylor (RI Pres. 1954-55) who wrote the 4-Way Test belong
1908	RC San Francisco	130	Tuesday lunch at Hotel Nikko	2 nd oldest Rotary club
1909	RC New York	79	Thursday lunch at Penn Club of NY	6 th club in Rotary after Oakland, Seattle, Los Angeles
1911	RC London	45	Monday lunch at Chesterfield Mayfair Hotel	1 st club outside North America Prominent member included Sir Winston Churchill
1919	RC Manila	227	Thursday lunch at Manila Polo Club	1 st club in Far East
1919	RC Shanghai	57	Tuesday dinner at HUALUXE Hotel at Hengshan (衡山路华邑酒店)	Club terminated 1951 and re-established 2001 (English speaking)
1920	RC Calcutta	204	Tuesday lunch at Rotary Sadan	
1921	RC Madrid	32	Tuesday lunch at Palace Hotel	
1921	RC Tokyo	337	Wednesday lunch at Imperial Hotel	Simultaneous interpretation in English available
1921	RC Paris	180	Wednesday lunch at Cercle de l'union interalliée	Meeting at classic venue since 1917 for the politician, diplomats & artists
1921	RC Melbourne	250	Wednesday lunch at The Windsor Hotel	Venue since 1883 Victorian elegance
1922	RC Osaka	236	Friday lunch at Rihga Royal Hotel	2 nd club in Japan, meal fee Yen5,400
1923	RC Milano	105	Tuesday lunch at Hotel Sheraton Diana Majestic	
1924	RC Zurich	190	Friday lunch at Widder Hotel	
1924	RC Beijing	40	Tuesday lunch at Kempinski Hotel	Original name RC Peking
1925	RC Kyoto	184	Wednesday lunch at Hotel Okura	5 th club in Japan after Kobe & Nagoya
1927	RC Hamburg	92	Wednesday lunch at Fairmont Hotel Vier Jahreszeiten	
1927	RC Seoul	61	Wednesday lunch at Grand Hyatt Hotel	Original name Keijo Rotary Club (English speaking)
1930	RC Bangkok	82	Thursday lunch at Grand Hyatt Erawan	
1930	RC Singapore	168	Wednesday dinner at Raffles Hotel	
1931	RC Hong Kong	49	1 st & 3 rd Tuesday lunch at Bankers Club, Central	Lunch meal fee HK\$500
1948	RC Taipei	65	Thursday lunch at Grand Hyatt Taipei (English speaking club)	CP Yen Chia -kan (嚴家淦) was 2 nd President of Republic of China (Taiwan) 1975-78

Iconic club meeting venues (left to right): Chesterfield Mayfair Hotel (RC London), Cercle de l'union interalliée (RC Paris), Imperial Hotel (RC Tokyo), The Windsor Hotel (RC Melbourne), Raffles Hotel (RC Singapore)

TAI 報
POST

A look back of our club's events of the month in the past 3, 6, 9 & 12 years

June 2013

2012-13 PE Francis Au and members watching video highlight at our 潮看Teen空project closing ceremony at the school on 5 June. Afterwards, students served us coffee & cupcakes which they learned to make from the programme.

Our club members & Rotaractors turned up in good numbers to support district activity initiated by our DG Kenneth: Organ Donation Octopus Card launching ceremony on 1st June.

2012-13 President Ron welcoming former member Paul Chan and baby club RC Soho CP Chris Tsang at our 24 June last meeting of the Rotary year.

Our RCTP ladies, sister club RC Taipei delegates, and 2012-13 DG Kenneth at our "Hawaiian Night" Annual Ball on 8 June at InterContinental Hotel. What a fun-filled, sexy and colorful big party that PE/Ball Chair Francis Au came up with!

June 2016

Our 25th Silver Jubilee Annual Ball, themed "Mystique", was held in Intercontinental Hotel on 11 June where over 500 Rotarians & guests attended. Those were the days when so many of our Rotaractors & Interactors participated and helped. The dance performances by President Vikky and sister club RC Makati San Lorenzo delegates were also fantastic!

June 2016

Post-annual ball Sunday tour to Stanley Market with sister clubs RC Taipei/Taipei Diamond, RCMSL guests followed by farewell seafood dinner at Lei Yu Mun.

Happy toasting by President Vikky at the Rotary Year last meeting on 20 June.

June 2019

Our Danny Lau joined boating activity with SEN students from Fortress Hill Methodist Sec. School at the Adventurship Inclusion Programme 乘風航共融計劃 on 26th June which we sponsored.

We wrapped up our 守護關懷行動 project to support Dementia with visit to and lunch at Tao Heung Museum and Restaurant of Food Culture in Fo Tan. 19 June.

RCTP big annual event on 22-23 June: Our Annual Ball at Ocean Park Marriot Hotel followed by Sunday fellowship activities with sister clubs where we took them for tour to the peak, Tai Kwun and farewell dinner in Tsimshatsui East.

June 2022

PP Claire & PP Frankie at the breakout session of the Rotary SDG (Sustainable Development Goals) Action Forum cum Inclusion Recognition Ceremony organized by our Satellite Club on 4 June in Kowloon Bay.

Pres. Wilson Woo with Satellite club members and speaker Ernest Chan who talked about "Apps for Children with Special Education Needs" on 20 June. Ernest joined our Satellite club soon afterwards.

Our RCTP team at District Bowling Tournament with the visually impaired. The event was held on 12 June much delayed due to worsened Covid situation earlier in the year.

BBQ Competition Theme Night - A Sizzling Success!

19 May 2025 ~ Mansan Ho

The Rotary Club of Tai Po hosted an unforgettable BBQ Competition Theme Night, filled with laughter, delicious food, and friendly rivalry. Teams battled it out not only in grilling skills but also in an exciting game of Charades, making it a night full of fun and camaraderie.

Team 4: The Flaming Champions

Led by the dynamic Team Leader RM Mansan, Team 4 brought the heat with their BBQ expertise and unbeatable teamwork. The team consisted of:

- President Mac – Master of the grill
- PDG Kenneth – The secret sauce specialist
- PP Louis – The charcoal whisperer
- Rtn Henry – The marinade maestro
- PP Sally – The skewer queen
- PP Armstrong – The firestarter

Together, they sizzled their way to victory, proving that great teamwork makes the dream work!

Game Highlight: Charades

The Charades competition added an extra layer of excitement to the night. Teams acted out hilarious clues, leading to bursts of laughter and creative (sometimes questionable) interpretations. Team 4 showed off their quick thinking and acting skills, making them strong contenders in the game.

Special Thanks to PP Natalie and PP Louis

A big shoutout to PP Natalie and PP Louis for their incredible support and contributions to the event. The dedication and enthusiasm helped make the BBQ Competition a roaring success!

A Night to Remember

From mouthwatering BBQ dishes to the high-energy Charades showdown, the BBQ Competition Theme Night was a fantastic celebration of friendship, fun, and Rotary spirit. Congratulations to all participants, and especially to Team 4 for their outstanding performance!

2025 Council of Legislation

Rotarians from all over the world met in Chicago, Illinois, USA, on 13-17 April to vote on proposed changes to the legislation that governs Rotary clubs. The representatives considered 78 proposals and the following are highlight of the more important motions passed or defeated.

Increasing the dues that all members pay to Rotary International

Representatives approved a US\$3.50 increase in the dues that every Rotary member pays to Rotary International, which means that dues will increase from US\$82 for 2025-26 to US\$85.50 for 2026-27. The dues would increase by another US\$3.75 in each of the following two years.

Supporters of the dues increase insisted that RI has and will continue to cut costs as the organization finds new ways to be efficient. The dues increase, which amounts to about 4% each year, is below the 2024 global rate of inflation.

But opponents said that dues increase discourages membership, which itself is the lifeblood of Rotary. “For the past 10 years, membership has been decreasing,” said Shobee Tone, representing District 2650 (Japan), who noted that a loss of members resulting from dues increases hurts smaller clubs the most. He said RI needs better efficiency, with fewer people on staff.

The dues increase prevailed after 45 minutes of debate and a failed attempt to postpone the decision for up to three months.

Allowing clubs to charter with as few as 15 members

The Council also approved a measure that will allow clubs to be chartered with as few as 15 members, instead of 20. Supporters said the change will remove barriers to starting new clubs and help Rotary grow and expand its reach by trying innovative club models.

Allowing districts the option not to hold a district conference

The Council also voted, after extensive debate, to make holding an annual district conference optional.

Defeated a motion to limit the age of Rotaractors

The Council defeated a pair of measures to set an age limit for Rotaractors. Opponents cited the low number of current Rotaractors over the age of 40 in arguing that limits were unnecessary and said such restrictions could force members out of Rotary.

Rejected limiting the number of honorary members a club can have

The Council defeated a motion to limiting the number of honorary members to 5% of the club’s active membership. Opponents noted that many clubs use honorary membership to stay in contact with former members, such as longtime Rotarians with valuable expertise to offer.

Approved naming PE Learning Seminar and Club Leadership Learning Seminar

Council also approved renaming the presidents-elect training seminar as the presidents-elect learning seminar and the district training assembly as the club leadership learning seminar. The measure is part of a shift in culture from training to learning to engage and empower people. Related names are being updated.

Preliminary Voting Results

Extracts of the More Relevant Voting Results

Item	Title	Yes	No	Majority	Result
Club Administration					
25-01	To amend the purpose of Rotary clubs	287	184	Simple	Adopted
25-02	To add vocational service as one of the recommended club committees	219	259	Simple	Rejected

Club Meetings and Attendance					
25-83	To provide for a start and end time to club meetings			Simple	Postpone Consideration Indefinitely
25-84	To amend the frequency of club meeting cancellations			Simple	Postpone Consideration Indefinitely
25-85	To amend the timeframe for making up an absence			Simple	Postpone Consideration Indefinitely
25-86	To amend the termination process for consecutive absences	122	336	Simple	Rejected

The last District Conference (DC) in Macao took place in 1919—more than half a decade ago. This year's DC, held on May 24-25, 2025, brought together Rotarians, spouses, and guests, all eager for something fresh and Magical. Their expectations were met and exceeded. Participants from Rotary Club Tai Po, including PDG Anthony and Mary, PDG Kenneth and Lucia, President Mac, PP Peter, PP Louis, PP Claire, PP Frankie & Creamy, PP William & Bebe, PP K F, PP Sally, VP Sim Sim and guests Him and Alice, shared in this remarkable experience. Let's walk through the highlights of this vibrant two-day event!

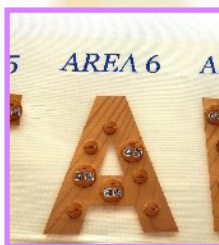

65th District Conference 24-25 May 2025 Galaxy International Convention Centre, Macao Claire Mak

Day 1: A Celebratory Kick-off

House of Friendship

The day began at the House of Friendship (HOF) located in the Auditorium Foyer of the GICC. Clubs showcased their official websites and social media through engaging QR codes on an impressive HOF Wall. Our club's QR code was printed on a charming wooden magnet featuring the RCTP logo—an excellent keepsake for future use.

Past Governors Hall of Fame

Nearby, the Hall of Fame honored past and current district governors. Each governor was represented by a dummy figure, complete with a QR code detailing their achievements. It was a fantastic way to pay tribute to those who have shaped our district over the years.

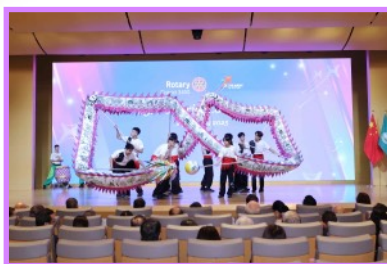

Leaders' Lunch

From 11:30 AM to 1:30 PM, the Leaders' Lunch invited district leaders and presidents to connect with Rotary International President's Personal Representative, Chun-Wook Hyun. Our PDG Kenneth and President Mac joined this exclusive gathering which facilitated meaningful networking among the leaders.

Opening Ceremony and First Plenary Session

At 2:00 PM, we gathered for the opening ceremony. A lively dragon dance kicked off the event, followed by the playing of national anthems, culminating in the official declaration of the 65th District Conference by District Governor Nigel Lo.

Keynote speaker of this DC is **Professor Gilberto Ka-Kit Leung**, Director of the School of Clinical Medicine at the University of Hong Kong. It is interesting to learn about Prof Gilberto's connection with Macao and with Rotary (with a Rotarian father and that he had been a Rotarian before) but the more interesting part is his impactful speech on "**Buying Health, Selling Lives**". His insights into healthcare disparities in Hong Kong, particularly the contrast between public and private sectors, and information asymmetry in the not-so-free market of healthcare sparked engaging discussions.

Past District Governor Peter Pang delivered a thoughtful vote of thanks, followed by District **Governor Nigel Lo**'s remarks on the district's purpose, culminating in his closing remark: "**THE DISTRICT EXISTS to serve its clubs.**"

Mindfulness: Sound Bath Meditation

Before our coffee break, we enjoyed a calming sound bath meditation session, arranged by Vertelli. While some found it rejuvenating, I opted for a quick rest in my hotel room, skipping the subsequent breakout sessions.

Governor's Banquet

The evening featured the glamorous Governor's Banquet, themed "**Red Carpet Gala – A Magical Night of Stars.**" Hosted by Past President Filipe and his team, the event featured exquisite food and an enchanting ambiance. However, the presentation by the presidents felt a bit lackluster compared to the overall splendid experience.

Day 2: A Day of Inspiration

Warm-Up Exercise

The second day began with a lively warm-up exercise at 9:00 AM, designed to energize attendees for the day ahead.

State of Rotary Worldwide

After a coffee break, we reconvened for a presentation by Rotary International President's Representative Chun-Wook Hyun, who shared inspiring stories of The Rotary Foundation and Rotary's global impact.

Second Plenary Session

The business-focused second plenary session started at 9:10 AM and efficiently covered essential resolutions and the adoption of the **District Financial Statement** for Rotary Year 2023-2024. Immediate Past District Governor Andy Li and **Past President Louis Tang** led this discussion, which was well-received by participants.

Dialogue with Future Leaders

The dialogue with future leaders, facilitated by Past District Governor Eugene Fong, introduced DGE Cassy, DGN Jimmy and DGND Frank.

The Rotary Foundation Recognition

With a lot of Awards and Recognitions, this Foundation session overran a bit. For our club, we were particularly delighted to see **PDG Kenneth** being recognised as the new **Benefactor** and for his contribution to the **Endowment Fund**.

Lunch and Presentation of Committee Awards

Lunch was rather rushed as, other than eating, we have to finish presentation of the following awards of different District Committees:

- Hong Kong Outstanding Student Service Ambassador Award
- Vocational Service Award
- District Foundation Service Award
- Preserve Planet Earth Award
- People of Action (PoA) Competition Award
- Rotary Volunteer Award

For RCTP, we were thrilled that **PP Natalie Kwok** won the **Vocational Excellence Award** (session chaired by PDG Kenneth), which President Mac accepted the heavy plaque on her behalf.

PP Claire chaired the presentation of the PPE session where RCTP was recognised as the Club with the Most Green\$ Accounts. Well Done!

Third Plenary Session

The session started with an interesting roll call and RCTP did her best to make some noise.

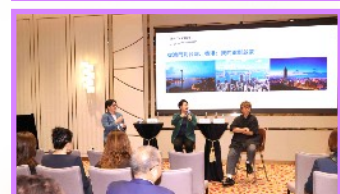

Fireside Chat with Vivian Kong

The eagerly anticipated fireside chat featured **Olympic gold medalist fencer Ms. Vivian Kong**, who shared her **Journey of Resilience and Success**. Her inspiring words resonated deeply with all attendees, leaving a lasting impression; and her cheerful candid personality quickly endeared herself to many who sought to take photos with her, including our guests Him and Alice.

Breakout Session

I attended this interesting Breakout Session 3 entitled **"Behind the Lens, Beyond the Screen"** which was moderated by **Rotaract Alumni Jose Chan Rodrigues** where 2 talented award-winning film directors **Ms. Tracy Choi** and **Mr. Henry Lei** (himself a former Rotaractor) shared their experiences and aspirations.

Closing Remarks

Following a series of engaging breakout sessions, the DC concluded with the presentation of Rotary International Awards by District Governor Nigel Lo. The day wrapped up with heartfelt closing remarks from both RIPPR Chun-Wook Hyun and District Governor Nigel Lo, marking the successful end of the DC.

Club Assembly 2 June 2025

We welcomed guests and Friends of Rtn. Benjamin – Timmy Chong (Him) and Alice – to this meeting.

They briefly introduced themselves: Him who is multi-business oriented including as traffic accident forensic expert and wine dealer, meat trader ... etc; and Alice being art educationist and mother.

PP Armstrong showed off the 30-year-old bottle of Moutai before it was opened for members to enjoy.

Rtnn. Mary brought along the RCTP QR code Magnet from House of Friendship at District Conference which is useful for guests to obtain information about our club.

In the absence of Pres. Mac, PE Sim Sim effectively chaired the meeting and Club Assembly.

PP Wilson was welcomed back and he generously paid red box. He usefully explained the various options and arrangements for the intended Trip for Club Installation.

PP Louis explained to members what he had done to tidy up the club accounts; and the arrangements moving forward.

PP Natalie received congratulations from members on being awarded the Vocational Excellence Award; and advised members about the upcoming meeting/event schedule.

PDG Keneth spoke several times, explaining the endowment fund he set up in the name of the club and about the intended Club Installation Trip.

PP Peter Lam reported on the progress about projects with our 2 sister clubs, both dental-related.

PP KF spoke about Public Image aspects of our club, including our PPE effort and his dual role as Learning Facilitator.

Rtn. Henry claimed that the International Youth Climate Summit was successful.
