President's Message

Frankie Wu

Busy, busy busy! complaining. I from our regular club presidents of visit each other within our presidency, and I have made 4 make-ups in one week. Crazy!!

But I am not am enjoying. Apart club meetings, the 2010/2011 try to visit each other within our presidency, and I have made 4 make-ups in one week. Crazy!!

Kong Harbour. Amazingly we have 19 members and 11 spouses joining. We also need to thank President Belinda for her super nice program. I don't know how to repay her hospitality.

As a member of team 4, I have to give a salute to our Team Leader PP Peter.

Thanks to the effort of our Service Chair Francis, our Sunshine Teens Project is so successful that the Principal of our Partner School stated that this is the best project he has ever had. The Project does not just benefit its students, it also inspires the teachers.

We need to learn from him. He really spent effort attending to every detail, such as selecting the venue, trying out the menu, devising games, preparing gifts, extending invitations and even providing the road map. Most importantly, he contributes so much but he never asks for any kind of reward!

I also need to thank all our members for supporting the Club visit to Rotary Club of Hong

It is often said that: "you can take it easy and consider a Rotary year at an end after the District Conference." This may be the case for some clubs; but not so for Rotary Club of Tai Po. As our club traditionally celebrates our Anniversary by a fund-raising ball in the month of June, rather than slowing down, the momentum actually accelerates at this time of the year.

This year is even more demanding because we are celebrating our 20th! Tai Po Rotarians are very supportive of the District and Club initiatives and with our obliging attitude, the Annual Ball theme adopted this year is "YES for 20 Years!"

Ball Chairman Tsubaki is giving his best, and for this grand celebration, he is introducing some new ideas: on the menu, on the performance and also on the prizes to be given out. Be prepared for some lovely surprises!

A huge team of members are assisting him with all the different aspects of the Ball. Rotaryannes are already trying out fabulous ball gowns. With all the excitement and eagerness building up and the way details are attended to, I am sure the Ball will be memorable and fun and that all our efforts will pay off. Everyone, don't sit back and relax - just yet. Let's work together to make it happen. YES, for another 20 years!

Rotary Information

Peter Lam

We just learned from the recent District Assembly that our incoming DG David Harilela will be launching a District's Humanitarian Award called "The One" to identify a caring individual who truly puts "Service Above Self" and is the one. In fact, RI recently also teamed with a well known anti-poverty and advocacy organization known as ONE and here is an article from RI news.

Rotary, ONE Campaign collaborate to increase humanitarian service

VACCINES IN AFRICA? WHY BOTHER? [ACT NOW](#)

Rotary International News May 6, 2011

Rotary International and the ONE Campaign, an advocacy organization dedicated to fighting extreme poverty and preventable disease, particularly in Africa, will work together to pursue mutual goals and increase humanitarian service.

Rotarians are encouraged to contact ONE chapters in their area to explore ways they might collaborate, such as by co-hosting events, teaming up on service projects, speaking at each other's meetings, and sharing stories, photos, and videos for publication. Rotarians are also asked to encourage Rotaract clubs to work with ONE chapters on college campuses.

Cofounded by singer Bono of the superstar Irish rock group U2 and backed by more than two million members, ONE works with world leaders to support proven, cost-effective ways to save lives and help people build sustainable futures. A key priority of the campaign is ensuring that children worldwide have access to basic vaccines.

ONE has been a relentless advocate in the fight against extreme poverty. ONE and its 2 million members, along with ONE's predecessor organization DATA and other non-profit partners, have played an important role in persuading political leaders to create and/or fund smart, effective programs and policies that have saved lives and improved futures in poor countries.

A few examples of this work, which ONE and our co-founder Bono have joined in alongside other advocacy partners, follow:

- Bono and ONE/DATA played an important role in the debt relief movement that helped to secure \$107 billion in debt relief for poor countries over the past decade, allowing African governments to invest more in poverty alleviation and helping put an additional 42 more million children in school

- ONE/DATA played a crucial role in the global campaign that successfully pressed the G8 to make historic commitments to fight poverty and disease in Africa in 2005; the G8 agreed to double funding to Africa at that meeting and ONE has been holding leaders feet to the fire on those commitments ever since

- ONE/DATA helped persuade President Bush's Administration to create the multi-billion dollar Millennium Challenge Account which funds smart, targeted development programs in well-governed poor countries which meet specific governance and transparency tests

- ONE/DATA successfully campaigned for passage of the U.S. African Growth and Opportunity Act (AGOA) which helped to increase African exports to the US to \$44 billion in 2009 and has created 300,000 jobs in Africa

- In 2010 ONE's Germany team successfully campaigned to prevent the German government from cutting funds to the highly effective Global Fund to Fight AIDS, TB and Malaria

Refreshing trip to Ho Chi Minh City, Vietnam during Easter holidays

Ada Wu

Ho Chi Minh City, Vietnam formerly known as Saigon is a good choice for a short trip. Saigon was captured by the French in 1859 and ruled by the French government for around 100 years. It was renamed as Ho Chi Minh City under the ruling of Hanoi government.

There are some historical buildings built under the influence of France, including Notre Dame Cathedral and the impressive French style Central Post Office. Other historical buildings related to its history like Reunification Palace are also worth visiting. Gary and I also joined a local tour and spent a day visiting Mekong River where we looked at floating water market.

For food, we tried out nice restaurants with ambient environment serving Vietnamese food, French food and seafood and they are all delicious. Ho Chi Minh City is definitely a good choice for you to spend a few days' vacation.

Closing Ceremony on 15 April 2011

Through a series of workshops, parental talks, and a 3-day Sunshine camp with the help from a fleet of medical doctors, professional soccer teams, make-up artists and dance instructors and reputable speakers on parental subjects, Rotary Club of Tai Po brought sunshine and positive values into the everyday life of Form One students of N.T. Heung Yee Kuk Tai Po District Secondary School.

The Sunshine Teens Project ended on a high note at the Closing Ceremony in the afternoon on Friday 15 April 2011 held at the school hall. The venue was decorated with bulletin boards and easy-rolls displaying the half-year long project activities. RCTP members who attended include Pres. Frankie and Creamy (also Cheuk and Kam Tung), DGN Kenneth, PP Peter, PP Claire, PP Pearl, IPP Dennis, PE Tsubaki and Rtn Caren.

At the start of the Ceremony, a video was played reliving what the Sunshine Teens had gone through during the past half-year. Principal Lee Chi Sum, Pres Frankie Wu and Salvation Army's Catherine Mak respectively spoke on their views about the Project and gave words of encouragement to the students. Then it was the students' turn to share their experience and perform what they had mastered during various trainings. There were dance performances by the girls, soccer skills demonstrations by the boys and also make-up class recognitions. The Ceremony ended with presentation of certificates and a light refreshment time when everyone mingled and talked more. After the Ceremony, parents stayed behind for a brief discussion forum to exchange ideas about parenting and adolescence.

From the very favourable feedbacks from the principal, the teachers, the students and also the parents, "Sunshine Teens" is by all account successful, constructive and very well received.

RCTP members attended the Closing Ceremony of "Sunshine Teens" and were welcomed by Principal Lee Chi Sum.

Pres. Frankie gave words of encouragement to not only the Students but the teachers, social workers and parents while at the same time promoted the good works of Rotary.

PP Peter showed off his soccer skills and outshone the Teens!

The ceremony was well attended by RCTP members and parents in addition to the Sunshine Teens.

Selected Teens recounted their experience in the Project.

Club visit to Rotary Club of Hong Kong Harbour on 5 May 2011

All Rotarians ready for the Meeting.

19 members and 11 spouses responded the call from President Frankie and visited Rotary Club of Hong Kong Harbour on May 5th at Regal Hong Kong Hotel. The supporters included CP Donald and Anne, Francis, IPP Dennis and Lancy, PE Tsubaki and Connie, PDG Anthony and Mary, Natalie, Ada, Sasha and Viol, Kiyama and Clarence, PP Peter, PP Jacky, AG Wilson and Wanda, PP Mo Leung and Jackie, DGN Kenneth, Caren, PP Claire, VP Ron and Alice, Frankie and Creamy, Patrick Fong and Torrente.

President Belinda spared no effort in making the meeting interesting and fun. Apart from the sumptuous dinner and cozy mingling, we enjoyed the evening a lot.

- PP Samuel Chung reported on their trip to Guizhou for clinic inauguration during the Easter holidays.
- Rotary ABC (with quiz and prizes to be won!) by PP MK Cheng.
- Cheeky sharing by PP Uncle John of RC HK Island East on being the Club Advisor who had not really been approached for advice.
- An invaluable talk by Speaker Ms. Ceri Silk on “Age Eraser” when we got useful tips on staying young and glowing.
- The gender specific topics – “Fish Maw Selection and Preparation” by Michelin Chef Sam from Regal Hotels for the ladies (and tasting them of course) and Wine Tasting for the gentlemen (more tasting of course!)

Members and spouses – that’s everyone joining the meaningful event.

Dine Art

Theme Night 9.5.2011

SR Gallery • Cafe

Claire Mak

At the meticulous organization by Team 4, members enjoyed a unique and exquisite Theme Night: Dine Art.

The Team

Team 4 master-minded this unique Theme: combining good food with an appreciation of art paintings. The venue (very much an art gallery) is in a relatively new building The Cubus in Causeway Bay. Team 4 is led by PP Peter Lam and supported by PDG Anthony, Pres. Frankie, PP Ping Leung and Rtn Ada Wu.

cuisine is western fusion with a slight Italian twist.

The Drinks

We started off with some grapefruit punch, followed by champagne. White and red wine were served during dinner and Peter also brought along his whiskey.

The People

Almost every RCTP member: from CP Donald and Anne to youngest Samantha. There are also visiting Rotarian Mandarin and Ping's friend Charles Chan. The only 2 children are Elizabeth and Angel.

The Fellowship

After the program, members and family continued to sing karaoke, take photos and chit chat generally It was surely an evening of artistic education and fun!

The Program

Pres. Frankie quickly did the usual reporting and announcements with minimum formality and we dived straight in to the program with PP Peter showing us a video introducing Van Gough.

After the appetizers course, PP Peter led an art quiz, tapping on members' knowledge of paintings and artists. Pictures and artists from the renaissance right through to contemporary modern artists and their works were subject of the quiz with prizes to be won. The wise man of Rotary PDG Anthony turns out to be the one most knowledgeable in art and won the ultimate grand prize!

The Food

We enjoyed a buffet table of good food with appetizers, crispy salads, hot dishes, nice wagon cuts, pea soup and followed by dessert buffet of fruits, cakes and other sweets. The

Rotary International District 3450 The 51st District Assembly 14th May, 2011 Saturday Shatin Clubhouse, The Hong Kong Jockey Club

To help the incoming leaders of each club to prepare for their year in office, the 51st District Assembly was held on May 14, 2011 Saturday at The Shatin Clubhouse of the Hong Kong Jockey Club.

Under the creative guidance of DGE David, the District Assembly injects a healthy dose of fun throughout the sessions, notably inviting a world renowned singer Howard McCrary to perform and mesmerize all the participants. PP Wendy Lee also gave useful tips on PowerPoint presentations. The District budget was passed in the afternoon and DGN Kenneth also promoted the RI Convention 2012 in Thailand.

The recent District Assembly brings home the fact that we have to be prepared for the coming year. Why don't we start by understanding the RI Theme?

"Reach Within to Embrace Humanity" is 2011-12 RI Theme

By Joseph Derr
(Excerpt from Rotary International News -- 17 January 2011)

RI President-elect Kalyan Banerjee will ask Rotarians to *Reach Within to Embrace Humanity* during the 2011-12 Rotary year. Banerjee unveiled the RI theme during the opening plenary session of the 2011 International Assembly, a training event for incoming district governors.

He urged participants to harness their inner resolve and strength to achieve success in Rotary.

"In order to achieve anything in this world, a person has to use all the resources he can draw on. And the only place to start is with ourselves and within ourselves," Banerjee said.

Once Rotarians find their inner strength, he continued, they can accomplish great things in their communities and around the world. "Discover yourself, develop the strengths within you, and then unhesitatingly, unflinchingly, go forth and encircle the world, to embrace humanity," he said.

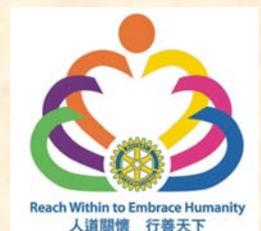

Banerjee emphasized the family as a starting point in serving others. "The communities we live in are not built of individual people but of families -- families living in homes together, sharing their lives and their resources and their common destinies. Good families lead to good neighborhoods, and good neighborhoods build good communities."

Rotarians can focus on projects that support families, such as those that provide safe housing or improve maternal and child health, he said.

Continuity in Rotary's work, including polio eradication, is also important, Banerjee said. "There are so many things we are indeed good at: working for clean, safe water; spreading literacy; working in so many ways with the New Generations, our youth, in our newest Avenue of Service and assisting them to become the leaders of tomorrow."

Citing Mahatma Gandhi's call to "be the change you wish to see in the world," Banerjee said Rotarians should also focus on change.

"If we wish for peace, we start by living in peace ourselves, in our homes and in our communities," he explained. "If we wish environmental degradation to stop, if we wish to reduce child mortality or to prevent hunger, we must be the instrument of that change -- and recognize that it must start *within* us, with each of us."

Lawn Bowling

Timmy Kwong

Can't recall when but one day, about 13 years ago, when I had a chat with a KCC member, he invited me to join his lawn bowl practice. Although I had no idea what the game was about, I accepted his invitation and my practice continues till now. I joined the league game for KCC and started off as a member of the lowest division and have been playing at the 1st division for the club for quite a number of years already.

In 2006, I was elected as a Hong Kong team squad to play for Tiger Bowls International Competition. I also participated in club and national competitions. In 2007, I was the 1st runners up of the National Men's Singles, I was also the Champion of the Club Handicap Singles and Club Men's Singles. In 2009-10, I was the A team captain of KCC and now am the KCC lawn bowls convenor. I am now also working for Hong Kong Lawn Bowls Association as Panel Member for League game and National game, as well as the Hong Kong team squad selector.

My wife also joined me as a member of the Ladies' team and has been so for some time already. Now that our daughters both studied abroad, we engage more time in the game than before.

Sake Pairing Dinner

A specially arranged Sake Pairing Dinner was jointly organized by Kowloon Cricket Club, Rotary Club of Tai Po and The SAKE Shop on 13th May 2011 (Friday) at the Pavilion, Kowloon Cricket Club. At HKD\$500 per head, members got themselves:

1. Six Courses Japanese Gourmet dinner

SASHIMI SAMPLER –
Salmon and Yellow Tail Sashimi

ASSORTED NIGIRI –
3 pieces of Chef's choice Sushi

AWABI SAKAMI –
Sweet cooked fresh abalone

EBI TEMPURA –
Tempura shrimp & Enoki

SLOW COOKED LAMB CHOP & BEEF FILLET JAPANESE STYLE –
Garnished with mixed green and served with special wasabi sake sauce

DESSERT DELIGHT –
Japanese cheese cake and green tea pudding with Sake Truffle Chocolate Ball

2 Paired sake for each course:

3. Free flow sake throughout the night: provided by "the SAKE Shop".

4. A chance to contribute to RC Tai Po Japan disaster relief fund.

Hear from organizer, our very own Kiyama san of the SAKE shop:

One of the highlights of the Japan earthquake relief activities was the sake dinner in KCC on Friday 13th May, when Tsubaki san and I arranged this for charity of the disaster.

I very much appreciate the support from our members of Tai Po club. The dinner was perfectly organized and smoothly executed. Over 40 people turned up. I had an enjoyable time meeting many sake

lovers. I sincerely wish we would drink with them some day in the not too distant future.

The match between Japanese food and sake is so sublime that many sake lovers never look any further. That night we have Sashimi, Sushi, Tempura, Grilled steak ... even abalone was served. I cannot say this too often: sake is a superlative companion to all

things fishy. Lighter sake suits the delicate flavors of fresh seafood best.

Finally, I would like to take this opportunity to thank all those who have contributed to our achievements that night including CP Donald, PE Tsubaki, and Pres. Frankie and especially all donors.

Rotaract District Conference 2010-11

It has been an exciting year for Rotaractors in Hong Kong, Macao & Mongolia. They've had fellowship activities such as wine tasting, BBQ and many services like elderly visit and tutorship to new immigrants. At the '**Rotaract District Conference 2010-2011**' held in the afternoon of 17 April, 2011 (Sunday) at Cognitio College (Hong Kong), they sought to review the Rotaract activities in this Rotary year.

The theme of this year's Conference is "We Create, We Connect, We are Rotaract" and took the form of booths display and variety shows. All the Rotaract clubs involved showed their creativity in their presentations, connected with each other and helped built a strong Rotaract.

Rotaract Club of Tai Po Community Service Elderly Home Visit Part 2

Around 20 volunteers and friends from both Rotary Club of Tai Po and Rotaract Club of Tai Po spent an enjoyable Saturday afternoon on 30 April 2011 with the elderly from Yan Chai Hospital Social Services Au Yeung Sum Memorial Elderly Home and Day Care Centre in Tze Wan Shan.

We played quiz games with them, took them through *drawing* on bread with jam, and also helped them decorate Easter eggs! Of course, there were the indispensable singings which the old people looked forward to. Even kiddy Elizabeth and Charlotte helped dish out prizes. The visit was warm and meaningful.
